We're a **tight-knit team** of 15 agents that has been in the business for **20+ years**. Production per agent is exceptionally high. **We recruit and retain the best** and invest heavily in each agent's growth & success.

What Sets Us Apart

PATH TO GROWTH

Our firm is comprised of top agents who have thrived across multiple market cycles. We are **consistently ranked by MSCI for both sales and transaction volume**. The expertise of our team will enable you to **rapidly expand your skills and business**, because you'll be surrounded by some of the best minds in the business.

RELATIONSHIP MULTIPLIER

We upended the traditional cutthroat brokerage model. Rather than competing for deals, **our agents regularly team up and share intel**. This multiplies transaction velocity, creating **significantly better financial outcomes** for everyone. It also makes us more credible and valuable to clients, in turn winning us even more business.

COASTAL CAPITAL ACCESS

CP Partners' model is **built on deep access** to the most aggressive investors in the country. Combined with our exceptional transaction volume in virtually every U.S. market, you've got **instant credibility to pitch on any retail asset** across the country.
